Leading America Virginia's Way

"Virginians are raised on independence and pride and common sense; and with the right leadership this year, we can give our kind of government a new role in Washington. For my money, the man to help do the job in the Senate is John Warner."

The government Virginia wants—the direction America needs—begins with your vote for John Warner: A senator who'll stand up for you!

- A permanent tax cut for everyone
- Less government spending for a balanced budget and a lower cost of living
- An experienced voice for the farmer
- A new strength for America's defense
- A health care system that reaches all Virginians
- A Congress in touch with the people
- Protection for the integrity of the Social Security system

"I believe one man can still make a difference in Washington. With your support, I'm determined to try."
